2019 Summer Choral & Instrumental Academy
June 17 - 22, 2019**

PURPOSE

The Summer Choral and Instrumental Academy is open to all high school students, grades 8 through 12, and graduating seniors, interested in extending their vocal or instrumental experience and performance opportunities. The high school student program offers intermediate and advanced music students the opportunity to work with renowned faculty in a challenging yet supportive environment. Students will participate in large ensembles, chamber ensembles, masterclasses and an array of music courses, seminars and clinics. Following the academy conclusion, a recording of the finale will be made available for purchase to all registrants. For an additional cost, participants may also select personalized mini-voice or piano lessons.
