As we return to face-to-face instruction, it is imperative we remember our safety protocols:

1. [Student Wellness Check](#) We are all required to take a daily wellness check prior to entering the building. We ask that you do it every day at home by clicking the Quick Link above or on our district website.

If your student or someone in your family has tested positive, or is showing symptoms of COVID-19, we ask that you contact our Nurse's Office.

If you have questions or need guidance regarding COVID-19, when your student should stay home, or when your student can return to school, we ask that you contact our Nurse's Office.
