

# Rochester School District needs your help:

Now instead of collecting receipts, you can link your Perks Card with the school of your choice to help to bring an assembly to students. After you link your Perks Card to your local school, just swipe your Perks Card any time you shop at SHOP 'n SAVE. Your purchases will be automatically added to your school's total (a total of 250 seeds is required for each student attending the assembly.)

## Our School ID 192
